In Gear With The Minister

WE'LL WORK TILL JESUS COMES

This is our theme song, the second phase of the Marching Orders of the Great Commission, our declaration against apathy, and an inoculation against the dreadful disease of intoxication with past successes. Complacency is a great enemy in life. It takes work to succeed in life and it takes works to remain successful.

This theme demands **PUTTING FIRST THINGS FIRST.** Jesus should not be an after-thought but the first thought in our lives. (Matt. 6:33) I hear Jesus saying, Go into my vineyard and work, and whatever is right, I'll pay. (Matthew 20:4) Paul thunders, "Work out your own salvation with fear and trembling. (Philippians 2:12) Jesus said in John 9:4 **"I must work the work of him that sent me while it is day: the night cometh, when no man can work"** Every child of God ought to sing with greater determination: **WE'LL WORK TILL JESUS COMES! THIS IS THE URGENCY OF WORK!** If we are going to evangelize the lost, if we are going to lift burdens from mankind, if we are going to minister to the needy. We must do it now! The night is coming when no man can work. Some of us have a misconception about church work. The Lord does not want us to be flashy, but to be faithful. The Lord Jesus said that if you give a cup of cold water in his name, it would not be forgotten.

The King is coming. According to Vine's Dictionary of Biblical Words, **WORK**

means to produce, to perform, to be active, to be operative. There is no time to loaf, to sit around and talk that talk instead of walk that walk. This is no time to play church. We cannot win Newark to the Lord without work, and we cannot produce work without people.

WE'LL WORK TILL JESUS COMES....*In attending and promoting the Bible School and Bible Classes. *In attending and promoting the Sunday night service. *In visiting the sick. *In winning souls and in supporting Gospel Meetings. *In giving as the Lord has prospered us. *In loving one another, forgiving one another, and encouraging one another. **Now if you have gone out of business, you ought to take down your sign.** Can you say and demonstrate our theme: **WE'LL WORK TILL JESUS COMES!**
